

Emergency dental care for the world traveler

Whether you're on a vacation or just working abroad, the last thing you need to worry about is where to go for emergency dental care. With dental coverage from Anthem Blue Cross (Anthem), you don't have to worry.

As an Anthem dental member, you and your family have access to the International Emergency Dental Program. Anthem offers you this program through DeCare Dental.* With this program, you may get emergency dental care from our list of credentialed, English-speaking dentists while traveling or working abroad. Program services are listed on the wallet card below.

Here's how it works

If you need emergency dental care while traveling abroad, call us right away. (The attached card gives details on how to make that call.) Our English-speaking Customer Service reps can help you find a dentist. And they can even help with translation services when you call the dentist's office.

Visit our website for a list of participating dentists

For a list of participating dentists, visit decare.com. Under the drop-down menu on the left, choose **DeCare Dental Products**, then **International Dental Program**. From there you can check our list of participating dentists in the *International Emergency Dental Program* section.

Payment for care

Please pay the dentist and ask for a receipt. Then, print a claim form from our website at decare.com and send the filled out form with the receipt to the address listed on the claim form. Claims are paid to members in U.S. funds.

Please note that emergency dental care received from a dentist in this program is paid back in full and is not part of your yearly plan limit.

Your claim will be paid at an out-of-network level if you:

- Get emergency dental care out of the country from a dentist who is not in this program.
- Get dental care that is not an emergency from any dentist outside of the U.S.

Emergency dental care is offered 24 hours a day, 365 days a year

For easy access to the International Emergency Dental Program cut out the card below, fold it in half and carry it with you while you travel outside of the U.S.
